- Used actual software processing (AGILE) such as using a user story and updating big board weekly.

Advertisement for Samsung card (2009)
- Led a team of five members that included photographers, entrepreneurs, travellers and chefs from diverse backgrounds.
- Created the original Samsung Credit card advertisement by using Photoshop & Flash.
- All the involved activities funded by Samsung Card and Queensland Tourism Commission.

and **Nachos Operating System** (2016) / **GLC Compiler Design** (for GLSL, 2017) / **Britney Spears Korean Official Website** (2004-5)

TECHNICAL SKILLS

Programming languages :
- Competent in Java
- Familiar with C / C++ / HTML / CSS / JavaScript
- Experienced in Python / Ocaml Prolog / SPARC,MIPS / Verilog

Tools/Libraries :
- Competent in Photoshop
- Experienced in Node.js / JQuery / Bootstrap / Android studio /

COURSEWORK

Advanced Data Structures
Design & Analysis of Algorithm
Software Engineering
Programming Language
Web Client Languages
Online Database Analytics Application
Principles of Computer Operating Systems
Compiler Construction
Interactive Design
HCI Programming Studio
Usability & Information Architecture
Business Project Management

WORK EXPERIENCE

Ernst & Young (EY) Advisory, Risk, Cyber Security (2016.6 ~ 2016.8), Seoul, Korea
